LIVIN' KICKIN' STANDS FOR

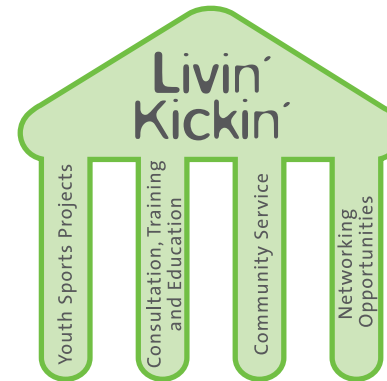

Networking opportunities via the organization's partners and sponsors – essentially the basis for our success.

Livin' Kickin' offers its private investors and sponsors ...

- ... various promotional opportunities through its partnerships with institutions such as clubs, social services, educational establishments, etc. ...
- ... Likewise, companies are also encouraged to support the organization as a whole and mutually benefit through its networking partnerships.

Livin' Kickin' is committed to adopting partnerships that promote mutual benefits for everyone involved.

- Growing support for **youth sports projects**
- Advancement for amateur and top-performing athletes, as well as for athletic professionals, through **consultation, training and education**
- Integration of **community service** through public-spirited sports projects
- **Networking opportunities** via the organization's partners, sponsors and investors

"Being a part of a peer group and building meaningful relationships, engaging in leisure activities, dealing with disappointments and inner tension, learning to understand and follow rules, and dealing with conflicts are five areas that cultivate confidence through sports."

Livin' Kickin' does not receive public subsidies. Selected projects are exclusively managed through cooperation with our networking partners and based on the needs of the service of interest.

- Austria-wide training, education and coaching
- Carinthia-wide community service through public-spirited sports projects
- International networking opportunities
